

dentistry from the heart

welcome to dentistry from the heart

Please follow the directions:

1. Completely fill out the registration form
2. Choose the procedure you want and list on registration form
 - I. Filling
 - II. Extraction
 - III. Hygiene cleaning
3. Give the completed form to security and they will give you a ticket number
4. Number will match the number on registration form
5. Stay on premise until your number is called

Patients will be called by their number order. The hygentist will see all cleaning requests and doctors will see filling and extraction requests.

Thank you.
